Diana P opened new discussion of food for the Sept ATA. Corby P suggested, and it was agreed, to use Costco for hotdogs and pizza at lunch for \$8. Breakfast sandwiches would be available each day including coffee or chocolate for 8\$.

As we expect a relatively small shoot, no portable bathrooms need to be rented.

Dave P reported that awards had been shipped for the ATA and we are also getting a few barrel rests and rib rests to sell or use as awards. Diana P suggested the leather rests could be offered to award winners if they chose to trade for the bags that are planned for awards.

Dave P reported that the Youth Trap team has applied for a NRA grant again this year, but the Club itself is not eligible to request an equipment grant for this next year. NRA requires at least 3 501(c)(3) organizations benefit from the equipment use, without raising funds for other charitable purposes. At present we only have 2 such organizations operating at the club.

Dave P reported that our mobile home tenant paid one more monthly rent but was still 3 months behind in rent. A letter of quit or pay will be drafted and delivered to the tenant to begin eviction.

Pistol – John D reported the pistol range business has slowed a bit lately, not unusual for the beginning of football season. John also stated that party rentals need to leave parking access to the pistol range on party days. Dave P stated that these instructions are included in the rental contracts and would step efforts to gain compliance from renters.

Karen C moved to adjourn. John D 2nd. Meeting adjourned at 7:10pm

Respectfully submitted, Dave Peck, Secretary
